Sec. 18-85. - Unlawful areas of sale, storage, display.

- (a) It shall be unlawful for fireworks to be stored, sold or displayed for sale in a place of business where paint, oils, varnishes, turpentine or gasoline or other flammable substances are kept, unless such fireworks are in a separate and distinct section or department of the premises.
 - (b) Where the fire chief deems there is a fire hazard; he is hereby authorized to have such hazard abated.
- (Code 1997, § 7-303; Ord. No. 1477, § 1, 6-14-2004; Ord. No. 1572, 8-11-2010; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-86. - Exceptions; discharges.

- (a) Section 18-84 shall not apply to the fire or discharge of fireworks in the city between the hours of 8:30 a.m. and 10:30 p.m. on June 27 through July 3, nor between the hours of 8:30 a.m. and 12:00 midnight on July 4, nor 8:30 a.m. and 10:30 p.m. on July 5.
 - (b) The governing body may, at its discretion, grant written permission at any time for the sale or discharge of fireworks.
- (Code 1997, § 7-304; Ord. No. 1572, 8-11-2010; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-87. - Permit.

No person shall offer for sale at retail, sell at retail, deliver, consign, give or otherwise furnish consumer fireworks without first obtaining a consumer fireworks sales permit ("permit") for the operation of a consumer fireworks sales facility in accordance with the municipal code for the city.

- (a) Application. A permit application shall be filed with the office of the city clerk no later than May 20 of each year. The application shall require the information necessary to identify the applicant, to verify the property owner's consent to the application, and to assure compliance with all applicable code requirements.
- (b) Fees. Every permit application must be accompanied by a nonrefundable application fee as prescribed in section 16-19. The permit fee shall include a preliminary and final inspection of the applicant's consumer fireworks sales facility by the fire chief or his representative prior to issuance of the consumer fireworks permit. Any additional inspections required in the course of the applicant's qualification for a permit will result in additional inspection fees as established in section 16-19
- (c) Application review. A permit application will not be accepted until all required information is provided. In the case of a repeat applicant, the applicant's past performance in complying with applicable rules and procedures for the operation of a consumer fireworks sales facility shall be a valid consideration in relation to whether the current application should be approved. Following administrative review of the application, the applicant will be notified whether the application has been granted or denied or if corrections or modifications are required for further consideration. An applicant will have until no later than June 1 of the year of application to submit the final version of its corrected or modified application.
- (d) Issuance and display of permit. No sooner than 7 days and after obtaining approval of its application and payment of the permit fee, the applicant may commence site preparation that shall include having the underground utilities marked at the site where the consumer fireworks sales facility is to be erected if poles or tent stakes are to be used in the erection of the consumer fireworks sales facility. After the site

has been marked for underground utility locations the applicant may start erecting and equipping of its consumer fireworks sales facility. Upon the approval of the city, the applicant may proceed with stocking of the consumer fireworks sales facility in preparation for final inspection. The applicant will qualify for issuance of the permit upon successful passage of final inspection of the stocked facility and payment of the permit fee. No person shall offer for sale at retail, sell at retail, deliver, consign, give or otherwise furnish consumer fireworks from the consumer fireworks sales facility until the permit has been issued and prominently displayed on site.

(e) Period of validity. A permit shall be valid commencing on the date of issuance and shall terminate July 4 at 10:30 p.m. of the current year.

(f) Suspension or revocation. A permit shall be subject to suspension or revocation by the city fire chief on the basis of the permit holder's failure to comply with applicable laws and standards for the operation of a consumer fireworks sales facility.

(Code 1997, § 7-305; Ord. No. 1617, § 1, 11-27-2013)

(a) Any person who has first obtained a permit from the city to sell fireworks may do so between the hours of 8:30 a.m. and 10:30 p.m. commencing June 27 and through July 4 for the year of the permit only.

(b) No retail stand shall be open for the sale of any fireworks unless there is at least one adult over the age of 18 years present on the premises at all times during the hours of operation.

(Code 1997, § 7-306; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-89. - Use of approved consumer fireworks.

The use of approved consumer fireworks by the public for personal use is prohibited other than from the hours of 8:30 a.m. and 10:30 p.m. on June 27 through July 3, nor between the hours of 8:30 a.m. and 12:00 midnight on July 4, nor 8:30 a.m. and 10:30 p.m. on July 5 of each calendar year.

(Code 1997, § 7-307; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-90. - Retail display.

(a) All retailers are forbidden to expose fireworks where the sun shines through glass on the merchandise displayed, except where such fireworks are in the original package.

(b) All fireworks displayed for sale must remain in original packages, except where an attendant is on constant duty at all times where such fireworks are on display; provided that fireworks in open stock may be kept in show cases or counters out of the reach of the public without an attendant being on duty.

(c) Signs reading "FIREWORKS FOR SALE—NO SMOKING ALLOWED" shall be displayed in the section of a store or premises set aside for the sale of fireworks.

(d) Fireworks shall not be ignited, discharged, or otherwise used within 300 feet of a consumer fireworks sales facility. At least one sign reading "NO FIREWORKS DISCHARGE WITHIN 300 FEET" shall be conspicuously posted on the exterior of each side of the consumer fireworks sales facility.

(Code 1997, § 7-308; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-91. - Fire extinguisher required.

(a) One ABC certified fire extinguisher with a minimum rating of 2A, and one certified water extinguisher with at least a 20 pound rating must be provided and kept in close proximity to the stock of fireworks in all buildings where fireworks are sold.

(b) Fireworks stands less than 200 square feet are only required to have one portable fire extinguisher.

(Code 1997, § 7-309; Ord. No. 1590, § 1, 6-8-2011; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-92. - Restrictions as to gasoline installations.

It shall be unlawful to store, keep, sell, display for sale or discharge any fireworks within 50 feet of any gasoline pump, gasoline filling station, gasoline bulk station or any building in which gasoline or volatile liquids are sold in quantities in excess of one gallon, except in stores where cleaners, paints and oils are handled in sealed containers only.

(Code 1997, § 7-310; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-93. - Records.

Each operator of a consumer fireworks sales facility shall maintain a list of what consumer firework items are on the premises, indicating the Kansas licensed distributor from whom those items were purchased.

(Ord. No. 1590, § 2, 6-8-2011; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-94. - Seizure of fireworks.

The city fire chief is authorized to seize and confiscate all fireworks which may be kept, stored or used in violation of any section of this article, and any of the rules of the state fire marshal. He shall dispose of all such fireworks as may be directed by the governing body.

(Code 1997, § 7-311; Ord. No. 1590, § 3, 6-8-2011; Ord. No. 1617, § 1, 11-27-2013)

Sec. 18-95. - Removal of inventory and restoration of site.

All inventory must be removed from a consumer fireworks sales facility no later than July 5. The site of the consumer fireworks sales facility must be cleared and restored no later than July 11.

(Ord. No. 1617, § 2, 11-27-2013)

Sec. 18-96. - Debris.

It is the responsibility of the person(s) discharging fireworks to remove all fireworks debris from private and public property no later than 12:00 p.m. (noon) on the day following the discharge of fireworks.

(Ord. No. 1617, § 2, 11-27-2013)

Sec. 18-97. - Penalty.

Violation of any of the provisions of sections 18-83 through 18-96 shall be a Class B violation.

(Ord. No. 1617, § 2, 11-27-2013)
